

Preliminary Program Plans for Spring 2021

The Spring 2021 meeting will be recorded on Zoom and available on the LifeWay Retiree Fellowship website.

One of the highlights of the program that Tom McMinn, Becky Rau, and Charles Businaro planned will be **Celebrating LifeWay Stores**. Stephen Gateley collected a series of historic bookstore photographs from the 1930's to the present and these will be shown on a Power Point presentation. Several former bookstore employees will also share favorite memories.

Dr. Ben Mandrell, President of LifeWay, will address the group. We are excited to have this opportunity to introduce him to you.

Doug Clinton, president of LifeWay Credit Union, will provide an update and award door prizes.
